Dear Sir:

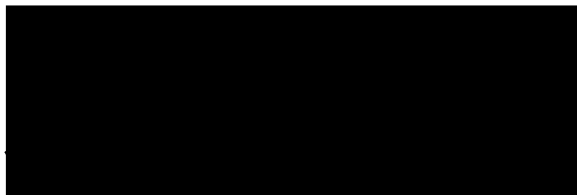

Payment for invoices 8, 11, 12, 13, 14 and 15 was received on November 22, 1963 and I thank you for it. This brings payments up to date, up to but not including my last invoices, 16 and 17, which I submitted November 15, 1963.

Along with the payment was a request to furnish auto rental and plane fare receipts for invoices 2, 6, and 10. They are enclosed.

Very truly yours,
